WORKSHOP TROLLEY
MECHANIC PLUS
with 6 drawers

- Stable sheet steel structure with large wood placement area
- The individual locking device - unlockable only with a practical, concealed release bar - prevents the drawer being opened when the trolley is in motion
- Ample storage space in six drawers each able to support 25 kg, total load-bearing capacity of the trolley 210 kg and storage space with intermediate shelf
- Four tool drawers individually partitionable, two high-rise drawers for large-size equipment, drawer interior dimension B 482 x D 345 mm
- Fully extending runners for unrestricted access to the entire drawer

---
